

# Menace (feat. Lil Yachty, Quavo & Offset)

## Quality Control

Go'n bust it open, go ahead baby, get naked  
Know you got a nigga but I wanna see you get naked  
Depthroat, depthroat, baby go ahead, take it  
Nigga on the strip, bought a bitch while he in Vegas  
Say you gettin' money but the whole world know you fakin', uh  
Move with the quickness  
Flex so hard had to invest in fitness  
Everybody think when you rich you can fix shit  
Shit ain't broke 'less you broke, that's some real shit  
I can send my whole family cars now  
Rap nigga mad 'cause his father never came around  
My lil' brother J A1, know he stayed down  
He'll knock the tooth off a nigga if they talk down  
That's right, knock your tooth if you talk loose  
Bitch givin' neck, deep throat like a white goose  
Spread it out, spread it out, spread it out, moshpit  
(moshpit, moshpit, moshpit, yeah)  
Wrap 'em up, wrap 'em up, hold 'em up for hostage  
(wrap 'em up, wrap 'em up, wrap 'em up, yeah)  
Just bought a coupe and the interior ostrich  
(ostrich, ostrich, ostrich, yeah)  
Walk in the bank, got a mil to deposit (cash)  
Hundred thousand dollars on the neckpiece, flex piece  
Hundred thousand dollars on the walkthrough, check, please  
I made the sauce and they ran with the recipe (sauce)  
Ran with the recipe (ran)  
All of my bitches treat me like Bill Bellamy (player)  
Treat me like Bill Bellamy (player)  
I'm on the couch and I'm posted like Ellen be (Ellen, yeah)  
Posted like Ellen be (E)  
Big dog, pull up in the quick frog (big dog)  
Matte black, inside eggnog  
Smokin' up with Scotty, smellin' like a wet dog (ooh)  
I never wanna go back to a rec call (no)  
Lamborghini pullin' up, this not a Vette dog (skrt)  
Get the dope and chop it up and then finesse y'all (hey)  
Wide body, wide hips, I'ma take her  
Inside red like the candy LifeSavers  
Lookin' at the 'Tek on my wrist, icebreaker  
Spread it out, spread it out, spread it out, moshpit  
(moshpit, moshpit, moshpit, yeah)  
Wrap 'em up, wrap 'em up, hold 'em up for hostage
