

# Never Satisfied (feat. Drake)

## Future

No matter what you do, it's never enough  
I don't understand these bitches, Drizzy  
Tryin' to, hear all these niggas, they never say  
Time after time after time  
Money's all I get and there's still money on my mind  
But I ain't never satisfied  
Yeah, I ain't never satisfied  
I found the one and say, "I'll never cheat again"  
We don't talk for like some months  
I ended up fucking with her friend  
I ain't never satisfied  
I ain't never satisfied I'm putting pressure on these niggas and I know  
But I'm still on the road like I'm scared of going broke  
Cause I ain't never satisfied  
I ain't never satisfied  
And it's a lot of money in the room  
I gotta find another spot, hiding soon  
I mix the rosé with the purple juice  
I hustle everyday and you don't have a clue  
How do you get money and all your dreams come true  
It's like everything that surround you get brand new  
I can't never forget the struggle and I pay dues  
Can't let the money and fame come between my crew  
My veins still runnin' deeper than the ocean  
Ordered up 10, 000 ones and I throw it  
Name a bag in the store that she ain't got  
Name a designer store that we ain't shop  
They ain't never satisfied
