Warrior

Wishbone Ash

I'm leaving to search for something new,
Leaving everything I ever knew.
A hundred years in the sunshine
Hasn't taught me all there is to know.In the valley, we will gather there,
Helpless in our surrender.

Tomorrow the plow becomes the sword - Make us stronger in our danger. Time will pass away,

Time will guard our secret.

I'll return again

To fight another day.

I'd have to be a warrior -

A slave I couldn't be -

A soldier and a conqueror,

Fighting to be free.

(Repeat three times)
