

Blonde Redhead

Twenty three seconds
 All things we love will die
 Twenty three magic
 If you can change your life Your tainted heart, your tainted heart
 My tainted love, my tainted love
 Repent now
 How many times
 As long as you live
 How many times
 The world will go around He was a friend of mine
 He was a son of god
 He was a son of a gun
 He was a son of god
 He was a friend of mine
 He was a son of god
 He was a son of a gun
 He was a son of god Twenty three seconds
 In you I see a chance
 Twenty three magic
 If you change the name of love Your crazy heart
 My crazy love
 Repent now
 How many times
 As long as you wish
 How many times
 The world will go around
 How many times
 As long as you want
 How many times
 The world will go around
 He was a friend of mine
 He was a son of a gun
 He was a son of god
 He was a son of god He was a friend of mine
 He was a son of a gun
 He was a son of god
 He was a son of god He was a friend of mine
 He was a son of a gun
 He was a son of god
 He was a son of god Twenty three
