

Blonde Redhead

Twenty three seconds  
 All things we love will die  
 Twenty three magic  
 If you can change your life Your tainted heart, your tainted heart  
 My tainted love, my tainted love  
 Repent now  
 How many times  
 As long as you live  
 How many times  
 The world will go around He was a friend of mine  
 He was a son of god  
 He was a son of a gun  
 He was a son of god  
 He was a friend of mine  
 He was a son of god  
 He was a son of a gun  
 He was a son of god Twenty three seconds  
 In you I see a chance  
 Twenty three magic  
 If you change the name of love Your crazy heart  
 My crazy love  
 Repent now  
 How many times  
 As long as you wish  
 How many times  
 The world will go around  
 How many times  
 As long as you want  
 How many times  
 The world will go around  
 He was a friend of mine  
 He was a son of a gun  
 He was a son of god  
 He was a son of god He was a friend of mine  
 He was a son of a gun  
 He was a son of god  
 He was a son of god He was a friend of mine  
 He was a son of a gun  
 He was a son of god  
 He was a son of god Twenty three
