## I'll Be Seeing You

## **Jimmy Durante**

I'll be seeing you In all the old familiar places That this heart of mine embraces All day throughIn that small cafe The park across the way The children's carousel The chestnut trees, the wishin' wellI'll be seeing you In every lovely summer's day In every thing that's light and gay I'll always think of you that way I'll find you in the morning sun And when the night is new I'll be looking at the moon But I'll be seeing youI'll see you in that small cafe The park across the way The children's carousel The chestnut trees, the wishin' wellI'll be seeing you In every lovely summer's day In every thing that's light and gay I'll always think of you that way I'll find you in the morning sun And when the night is new I'll be looking at the moon But I'll be seeing you I'll be seeing you I'll be seeing you Song Discussions is protected by U.S. Patent 9401941.
