The Drapery Falls

Opeth

Please remedy my confusion And thrust me back to the day The silence of your seclusion Brings night into all you sayPull me down again And guide me into painI'm counting nocturnal hours Drowned visions in haunted sleep Faint flickering of your powers Leaks out to show what you keepPull me down again And guide me into pain There is failure inside This test I can't persist Kept back by the enigma No criterias demanded here Deadly patterns made my wreath Prosperous in your ways Pale ghost in the corner Pouring a caress on your shoulderPuzzled by shrewd innocence Runs a thick tide beneath Ushered into inner graves Nails bleeding from the struggle It is the end for the weak at heart Always the same A lullaby for the ones who've lost all Reeling inside My gleaming eye in your necklace reflects Stare of primal regrets You turn your back and you walk away Never again Spiralling to the ground below Like Autumn leaves left in the wake to fade
