

# Kissing Girls (feat. Sean Kingston & Jeremih)

## DJ Twin

[Intro]

Kingston

Ayo, Jeremih

I'll tell them

Laila[Hook]

Girls kissing girls, that's that shit I like yeah

Gettin' higher than a kite, aye

She says she wanna take a flight, aye

So I'ma take her to Kingston

Hold ya down, hold ya down, to ride for me

Don't talk about it, be about it

Show me what it's gon' be, yeah

We been down this road a million times

Just show me that you down to ride

[Verse 1: Sean Kingston]

Show me you're willing to ride

(Show me you're willing to ride, yeah)

This a Mustang, hop up inside

(Mustang, hop up inside, yeah)

Your ex, he broke, he lyin' (ex he broke)

You're too fine to be wasting your time (woah)

(?) up but she do it on me, yeah

It's all I got, it's you and me, yeah

Turn it up now

Club shut down

Three o'clock in the mornin' baby, we about to power up

I'm in the way, when I'm bad man, no we don't play

Kingston Jamaica known to JA

Them gangsta know about me

When I'm bad man when a (?) man

When I play low-low-aye

Gunshot when it bust we outride the AK, reality

[Hook]

Girls kissing girls, that's that shit I like yeah

Gettin' higher than a kite, aye

She says she wanna take a flight, aye

So I'ma take her to Kingston

Hold ya down, hold ya down, to ride for me

Don't talk about it, be about it

Show me what it's gon' be, yeah

We been down this road a million times

Just show me that you down to ride

[Verse 2: Jeremih]

Skinny

She wake up the mornin' she be dreamin'

Diamond I swear that you like it

It's an epidemic how I'm feelin'

I'm your lover

Pussy so good, need no rubber

She deserve a rubber

Got the blue dream, won't you light it?

I've been dicking down man, I might wife it

One night it

Prince to the city

Don't you think about it, show me what's on your mind

Baby jump (?) bout it

Working 9 to 5, she dream about it now I got her running over

Don't you tell me no to comin' over

Bring a friend, I bend them backs right over

I salute you, got me standing like a soldier[Hook]

Girls kissing girls, that's that shit I like yeah

Gettin' higher than a kite, aye

She says she wanna take a flight, aye

So I'ma take her to Kingston

Hold ya down, hold ya down, to ride for me

Don't talk about it, be about it

Show me what it's gon' be, yeah

We been down this road a million times

Just show me that you down to ride
