

The Warmth of the Sun

Rumer

What good is the dawn that grows into day?
The sunset at night or living this way?
For I have the warmth of the sun
Within me at night The love of my life
He left me one day
I cried when he said
"I don't feel the same way" Still, I have the warmth of the sun
(Warmth of the sun)
Within me tonight
(Within me tonight) I'll dream of his arms
And though they're not real
Just??
The way that I feel
I love like the warmth of the sun
(Warmth of the sun)
It won't ever die
(Won't ever die)
