

# The Warmth of the Sun

Rumer

What good is the dawn that grows into day?  
The sunset at night or living this way?  
For I have the warmth of the sun  
Within me at night The love of my life  
He left me one day  
I cried when he said  
"I don't feel the same way" Still, I have the warmth of the sun  
(Warmth of the sun)  
Within me tonight  
(Within me tonight) I'll dream of his arms  
And though they're not real  
Just??  
The way that I feel  
I love like the warmth of the sun  
(Warmth of the sun)  
It won't ever die  
(Won't ever die)
