

# Let It Shine

Coco Jones & Tyler James Williams

Oh yeah It's been a long road but we're finally here  
And the view from the top so beautifully clear  
We can see for forever not a cloud in the sky  
Picture perfect weather everyday of our lives Just imagine if everything you wanted came true  
Well it happened to me so it can happen to you  
We're on a journey of truth and belief is the key  
So open up your heart and let your life free Oh  
And I feel like I'm glowing  
And I like where I'm going  
Tonight, I'm showing up to shine  
This little light of mine (OK, OK, OK)  
I'm gonna let it shine (Alright, alright, alright)  
This little light of mine (OK, OK, OK)  
I'm gonna let it shine (Alright, alright, alright)  
This little light of mine (OK, alright, OK)  
I'm gonna let it shine  
Let it shine, let it shine, let it shine Front to back we're packing, stomping  
Clapping, laughing, singing, dancing  
Passion ever lasting  
When I'm rapping to the track and  
Asking everyone to put your hands up  
Stand up  
Roxanne come take my hand  
And make the congregation rock  
Celebrating and it feels so good  
If I could thank everybody here I would  
I feel like I'm finally free and I  
Yeah I'm ready, I'm ready, I'm ready to fly Yeah, oh  
And I feel like I'm glowing  
And I like where I'm going  
Tonight, I'm showing up to shine This little light of mine (OK, OK, OK)  
I'm gonna let it shine (Alright, alright, alright)  
This little light of mine (OK, OK, OK)  
I'm gonna let it shine (Alright, alright, alright)  
This little light of mine (OK, alright, OK)  
I'm gonna let it shine  
Let it shine, let it shine, let it shine You know it wants to come out  
Don't hide your shine, y'all  
Now put your hands to in sky  
'Cause your light is your love Oh yeah This little light of mine (This little light of mine)  
I'm gonna let it shine (I'm gonna let it shine)  
This little light of mine (Yeah)

I'm gonna let it shine (I'm gonna let it shine)  
This little light of mine (This little light of mine)  
I'm gonna let it shine  
Let it shine, let it shine  
Let it shine, let it shine  
Let it shine, let it shine, shine
