

# Back Porch

[Dierks Bentley](#)

Ain't no line around the corner, no security,  
No velvet rope, no dress code, everybody's VIP,  
You can wear your hat, dance in your bare feet,  
No credit card, no roll of cash, just BYOB  
Woah oh oh, chillin' on a back porch  
Little hottie swingin' up in the swings  
Them good ol' boys pickin' six strings  
Woah oh oh, leave your trouble at the door  
No cover charge, get in for free  
No last call, let's party on a back porch  
(Chillin' on the back porch, oh yeah  
Chillin' on the back porch, oh yeah)  
Got a tin roof on the top just in case it rains  
Got a kiddy pool off the deck for those hot as hell days  
Got beer on ice, all day all night,  
Now if that sounds like something you like come on  
Woah oh oh, chillin' on a back porch  
Little hottie swingin' up in the swings  
Them good ol' boys pickin' six strings  
Woah oh oh, leave your trouble at the door  
No cover charge, get in for free  
No last call, let's party on a back porch  
[x3]  
On a back porch  
Little hottie swingin' up in the swings  
Them good ol' boys pickin' six strings  
No cover charge, get in for free  
No last call, so let's party on a back porch  
See ya on the back porch
