

Teethgrinder

Therapy?

This feels good, nothing can stop me
Every nerve pumping hard through me
Every thought rushes at full speed
This false smile grates through babyteeth(I'm a teethgrinder) Teethgrinder (In my sleep I grind
my teeth)
(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)Think to win and I'm up on it
I can't lose, I've got nothing to
Try me now, I'll try anything
This is me, this is what I feel
(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)
(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)
(Losing his mind and he feels it going)
(Losing his mind)
(Losing his mind and he feels it going)
(Losing his mind)
(Losing his mind)(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)
(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)(I'm a teethgrinder, in my sleep
I grind my teeth)
