Teethgrinder

Therapy?

This feels good, nothing can stop me
Every nerve pumping hard through me
Every thought rushes at full speed
through behytooth (I'm a tooth grinder). Tooth grinder

This false smile grates through babyteeth(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)

(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)Think to win and I'm up on it

I can't lose, I've got nothing to

Try me now, I'll try anything

This is me, this is what I feel

(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)

(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)

(Losing his mind and he feels it going)

(Losing his mind)

(Losing his mind and he feels it going)

(Losing his mind)

(Losing his mind)(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)
(I'm a teethgrinder) Teethgrinder (In my sleep I grind my teeth)(I'm a teethgrinder, in my sleep
I grind my teeth)
