

Shame On the Moon

Bob Seger & The Silver Bullet Band

Until you've been beside a man
you don't know what he wants.
You don't know if he cries at night,
you don't know if he don't. When nothing comes easy,
old nightmares are real.
Until you've been beside a man,
you don't know how he feels. Once inside a woman's heart,
a man must keep his head.
Heaven opens up the door
where angels fear to tread.
Some men go crazy,
Some men go slow.
Some men go just where they want,
Some men never go. Oh, blame it on midnight.
Oooo... Shame on the moon. Everywhere, it's all around.
Comfort in a crowd.
Strangers' faces all around,
laughin' right out loud. Hey, watch where you're goin',
Step light on old toes.
'Cause until you've been beside a man,
You don't know who he knows.
Oh, blame it on midnight.
Oooo, Shame on the moon.
Oh, blame it on midnight.
Oooo, Shame on the moon. Blame it on midnight.
You can blame it on midnight.
Shame on the moon.
