

First to Love

Blaqk Audio

Emily
What did you say when he said, "Follow me"?
What would you give to live your tragedy?
There is no price, he needn't pay
You give yourself away (ooh)
She said, "No one's left to send me flowers"
Ooh (ooh)
There's the tears in her eyes, with the tears she denied them
Ooh (ooh)
She said, "No one's left to send me flowers"
Ooh (ooh)
You'll be the first I leave because I'm always the first to love
Emily
What did you do, to become part of me?
I'd do anything to be your tragedy
Only my thoughts can bring you this break
You give yourself to me (ooh)
She said, "No one's left who send me flowers"
Ooh (ooh)There's the tears in her eyes, with the tears she denied themOoh (ooh)She said, "No
one's left to send me flowers"
Ooh (ooh)
You'll be the first I leave because I'm always the first to love
I'm always the first to love
I'm always the first to love
I'm always the first to love
I'm always the first to love (ohh)She said, "No one's left to send me flowers"
Ooh (ooh)
There's the tears in her eyes, like the world she denied me
Ooh (ooh)
She said, "No one's left to send me flowers"
Ooh (ooh)
You'll be the first I leave because I'm always the first to love
