

Into the Open Air

Julie Fowlis

This love, it is a distant star
Guiding us home wherever we are
This love, it is a burning sun
Shining light on the things that we've done
I tried to speak to you every day
But each word we spoke
The wind blew away
Could these walls
Come crumbling down?
I want to feel
My feet on the ground
And leave behind
This prison we share
Step into the open air
How did we let it come to this?
What we just tasted
We somehow still miss
How will it feel
When this day is done,
And can we keep
What we've only begun?
And now these walls
Come crumbling down
And I can feel
My feet on the ground
Can we carry this love that we share
Into the open air?
Into the open air,
Into the open air,
Into the open air,
This love, it is a burning sun
