

# Smoke Everyday (feat. Devin the Dude & Z-Ro)

## Paul Wall

(chorus X2) See, ima marijuana soulja,  
smokin on the douja... (smoke weed everyday) seven  
roaches in the ashtray. seem like all i do is pour up and keep blazin.

Paul wall- "im high as a cloud,  
and im floatin like a parade.

full of that high grade, i stay on that purple haze.

My mind in a daze, i aint been sober in days,  
from all punch that i be pourin' and the blunts that  
i blaze. Remember back in the days,  
i aint lean, smoke, or sip.

But things changed a bit, now-a-days im lit.

See, i started after highskew,  
and now i cant quit. Watchin ol' skool,  
it taste soo good when it hits the lips.

im floatin like the mothership,  
higher then mars. gone offa couple handle bars,  
i see stars, gone offa couple loushes,  
jammin that dude deven, i wonder what pac,  
and pimp c talkin about in heaven.  
im flyin in the gorgia down antwan dry,  
but if the laws catch me swervin,  
i'll be gone for a ride, feelin' soo good inside,  
so high indeed, with no sticks,  
no seeds, just some indo leaves, now breathe.

(chorus X2)

Deven the Dude- I wake up in the mornin.

. pour up a cup of coffee,  
take a pull on this toffee,

now im off to have a good day, bless to have another one,
