When the Lights Go Down (Original Club Mix)

Armand Van Helden

To play

You can feel the energy coming

From the people as they sayWhen the lights go down in your town

And the band begins to play

You can feel the energy coming

From the people as they sayWhen the lights go down in your town

And the band begins to play

You can feel the energy coming

From the people as they sayWhen the lights go down in your town

And the band begins to play

You can feel the energy coming

From the people as they say

When the lights go down in your town

And the band begins to play

You can feel the energy coming

From the people as they sayWhen the lights go down in your town

And the band begins to play

You can feel the energy coming

From the people as they sayWhen the lights go down in your town

And the band begins to play

You can feel the energy coming

From the people as they sayWhen the lights go down in your town

And the band begins to play

You can feel the energy coming

From the people as they say
