

# It Doesn't Have to Be This Way

## The Blow Monkeys

Just counting the hours  
'Cause when your bed it's made  
Then, baby, it's too late, yeah There's no hope for a hungry child  
Whose joker is wild  
They take all hope away  
By the end of the day  
Well, I just about had enough of the sunshine Hey!  
(Hey!)  
What did I hear you say?  
You know  
It doesn't have to be that way!  
You!  
(You!)  
When you walk out the door  
(You walk out the door)  
You gotta ask for more  
(You gotta ask for more)  
You gotta ask for more  
It doesn't have to hurt that way  
Just counting the pain  
You've only got yourselves to blame  
For playing the game There's no hope for a hungry child  
(No wonder!)  
Whose joker is wild  
And they take all hope away  
(No wonder!)  
And I just can't see the sense  
And my mind's a haze  
(No wonder!)  
Ooh, and I just about had enough of the sunshine  
Hey!  
(Hey!)  
What did I hear you say?  
You know  
It doesn't have to be that way!  
You!  
(You!)  
When you walk out the door, baby  
(You walk out the door)  
You gotta ask for more  
(You gotta ask for more)  
From society

Take a tip from me now, yeahDo you want it?  
Do you want it?  
Don't you know that I got it, baby?  
(If you want)  
Do you want it?  
Don't you know I got it, baby?Do you want it?  
Do you want it?  
Ooh, and I just about had enough of the sunshineHey!  
(Hey!)  
What did I hear you say?  
(What did I hear you say?)  
You know  
It doesn't have to be that way!  
You!  
When you walk out the door  
(When you walk out that door)  
Ooh, you better ask for more  
Baby, baby, babyHey!  
(Hey!)  
What did I hear you say?  
You know  
It doesn't have to be that way  
You!  
When you walk out the door, baby  
You gotta ask for more  
(You gotta ask for more)  
You gotta ask for moreI said hey, oh-oh  
(Hey!)  
What did I hear you say?  
You know  
It doesn't have to be that way  
You!  
When you walk out the door, baby  
(You walk out the door)  
You gotta ask for more  
(You gotta ask for more)  
You gotta ask for more  
For more
