

Better to Lie

benny blanco, Jesse & Swae Lee

[Chorus: Jesse Rutherford]

Sometimes, it's better to lie than say all the things I got on my mind

(Yeah, yeah, yeah)

Sometimes, I wonder if I'm livin' my life waiting to die

(Yeah, yeah, yeah)

Sometimes, it's better to lie than say all the things I got on my mind

(Yeah, yeah, yeah)

Sometimes, I wonder if I'm livin' my life waiting to die

(Yeah, yeah, yeah)

[Verse 1: Jesse Rutherford]

Small dog in that big town

Little dog in that big pound

If you can't bite, then just sit down

Better fight it, just quit now

Full of bull like a pit now

Talking shit with that big mouth

Get written out that script, ouch (Bye)

Like a fish out of the water, this only gets harder

Feels like I just started, no time to get caught

I been working on me, therapy once a week

It ain't cheap, but I'd rather pay the fee

Instead of cheat on you [Pre-Chorus: Jesse Rutherford]

Now you could hate me, I don't mind

Yeah, you could hate me, I don't mind

Yeah, you could hate me, I don't mind

Yeah, you could hate me, I don't mind

[Chorus: Jesse Rutherford]

Sometimes, it's better to lie than say all the things I got on my mind

(Yeah, yeah, yeah)

Sometimes, I wonder if I'm livin' my life waiting to die

(Yeah, yeah, yeah)

Sometimes, it's better to lie than say all the things I got on my mind

(Yeah, yeah, yeah)

Sometimes, I wonder if I'm livin' my life waiting to die

(Yeah, yeah, yeah) [Verse 2: Swae Lee]

Killin' the vibes, killin' the vibes

All of this waitin' around, killin' the vibes

Sellin' you dreams, wasting time that I can't buy

Wouldn't give me peace of mind

Attitudes seem to change when we roll up

How'd it taste when you taste your own medicine?

Quality of my life is in no budget

Gave me all dirty looks when I look back[Pre-Chorus: Swae Lee]
You can hate me, I don't mind
You can hate me, I don't mind
You can hate me, I don't mind

You can hate me, I don't mind[Chorus: Jesse Rutherford]
Sometimes, it's better to lie than say all the things I got on my mind
(Yeah, yeah, yeah)

Sometimes, I wonder if I'm livin' my life waiting to die
(Yeah, yeah, yeah)

Sometimes, it's better to lie than say all the things I got on my mind
(Yeah, yeah, yeah)

Sometimes, I wonder if I'm livin' my life waiting to die
(Yeah, yeah, yeah)[Outro: Lil Dicky]

Pretty good ending, huh?
