

Cherry on Top (feat. Marc E. Bassy & TYSM)

Felix Snow

Windows up, hands on the clutch
Now it's on your butt, bad girl
Bet your daddy thinks that's in your past girl
Sweet dreams
Mix that ice cream with the gasoline
Bubblegum
You could get it poppin' with, like, anyone
Everyone watching us like TSA and carry-ons
Girl I bought that Pérignon just to put that cherry on top with it
Yeah, she my cherry on top with it
Eh, to the top with it
Yeah, she my cherry on top with it
Yeah, she got to cake cake [fork] with the cherry on top with it
Yeah, now my babe [?] with the cherry on top with it
On top with it
Top with it, top yeah
(She the one)
Top with it, top yeah
(She)
Top with it, top yeah
(She the one)
Top with it, top yeah
(She)
Top with it, top yeah
(She the one)
Top with it, top yeah
(She)
Top with it, top yeah
(She the one)
Top with it, top yeah
(She)
Top with it, top yeah
(She the one)
Top with it, top yeah
(She)
Top with it, top yeah
Strawberries in my wrist like I'm suicidal
I could give you that verse but it ain't the Bible
I've been busy all day singing high notes
Had to fuck her in between recitals
Now the show so big they've got side shows
Everyone watching us like TSA and carry-ons
Girl I bought that Pérignon just to put that...
Yeah, she got to cake cake [fork] with the cherry on top with it
Yeah, now my babe [?] with the cherry on top with it
Top with it, top yeah
(She the one)
Top with it, top yeah
(She)

Top with it, top yeah
(She the one)
Top with it, top yeah
(She)
Top with it, top yeah
(She the one)
Top with it, top yeah
(She)
Top with it, top yeah
(She the one)
Top with it, top yeah
(She)
Top with it, top yeah
Yeah, she my cherry on top with it
Top with it, top yeah
Yeah, she my cherry on top with it
Top with it, top yeah
Yeah, she got to cake kick [fork] with the cherry on top with it
Top with it, top yeah
Yeah, now my babe [?] with the cherry on top with it
On top with it
