## **Sweetness Alive (feat. Say Lou Lou)**

## Goldroom

Oho, oho, oho, oho, oho Set us free, we're driving through the city of life Into the lights And we're looking for a way to get high Until we findOho, oho, oho, oho, oho Sweetness alive, in diamond light The luxury of you in paradise Sweetness alive, in diamond light The luxury of having you by my side The luxury of you in paradise The luxury of you in paradise The luxury of having you by my side We swept this time away It's in your eyes today We swept this time away It's in your eyes todaySet us free, we're dancing in the fields of the life It's all surprise And we're looking for a way to get high Until we findSweetness alive, in diamond light The luxury of you in paradise Sweetness alive, in diamond light The luxury of having you by my side The luxury of you in paradise The luxury of you in paradise The luxury of having you by my side We swept this time away It's in your eyes today We swept this time away It's in your eyes todaySet us free Song Discussions is protected by U.S. Patent 9401941.
