## Freddie Gibbs

Yeah

Bitch hit me when I was on my way to this mothafucka

She was like, nigga, "Meet me at the mall"

I'm like shit, bitch

Bitch whatchu gonna buy me?

You know what I'm sayin', bitch? Fendi buckle coat

Rockin' up the dope

Fendi buckle coat

Rockin' up the dope

Fendi buckle coat

Rockin' up the dope

Smoke it on the spot then get your shit to go

I might pull in that Benz and your fist blows

Cut so clean I make the bitch take off her shoes

Drippin' water nothing monkey on my jewels

Give me good brain but that pussy do the fool

Fendi buckle coat

Rockin' up the dope

All my smokers smoke it on the spot and get they shit to go Had them left on Long Beach out

them bricks up and let them low

I played with their cages

Liek Scarface on the Banana boat I jumped off the porch and jump straight on the plane

Smokers on that D block kept a nigga paid

Gucci on my runners put that on the gang

I know some famous rappers snitchin' I won't say no names

Fendi buckle coat

Rockin' up the dope

Fendi buckle coat

Rockin' up the dope

Fendi buckle coat

Rockin' up the dope

Smoke it on the spot then get your shit to go Buckingham Palace with the palates on, I'm high as

fuck

15 grams of yayo on the table, bitch come line 'em up

Brought 2 pounds of killer on my tour bus, but that ain't enough

She want my committee

Throw that pussy, but that ain't enough Ain't enough, bitch you lame as fuck

Heard yo' nigga Siggy rode the bitch while I was layin' up

4 AM your ho be stayin' up and still be waiting up

My racks so loud I wake the neighbors up

I'm whippin' babies up like Fendi buckle coat

Rockin' up the dope

Fendi buckle coat  
Rockin' up the dope  
Fendi buckle coat  
Rockin' up the dope  
Smoke it on the spot then get your shit to goBuckle coat, buckle coat
