## Wild Child

## W.A.S.P.

I ride, I ride the winds that bring the rain
A creature of love and I can't be tamed
I want you, cause I'm gonna take your love from him
And I'll touch your face and hot burning skin
No, he'll never ever touch you like I do
So look in my eyes and burn alive the truthI'm a wild child, come and love me
I want you

My heart's in exile I need you to touch me
'Cause I want what you do
I'm a wild child, come and love me
I want you

My heart's in exile I need you to touch me 'Cause I want what you do

I want you

Tell me, tell me the lies you're telling him when you
Run away 'cause I wanna know
Cause I, I'm sure it's killing him to find
That you run to me when he lets you go

'Cause I'm burning, burning up with fire So - come turn me on and turn the flames up higherI'm a wild child, come and love me I want you

> My heart's in exile I need you to touch me Cause I want what you doI'm a wild child, come and love me I want you

> > My heart's in exile I need you to touch me Cause I want what you do

I want youA naked heat machine, I want your love When the moons arise we'll feel just what it does I'm a wild child, come and love me

I want you

My heart's in exile I need you to touch me
'Cause I want what you do
I'm a wild child, come and love me
I want you

My heart's in exile I need you to touch me
'Cause I want what you do
I want you
