

All Cried Out (feat. 112)

Allure

[Allure]
All alone on a Sunday morning
Outside I see the rain is falling, whoa
Inside I'm slowly dying
But the rain will hide my crying, crying, crying
And you
Don't you know My tears will burn the pillow
Set this place on fire
Cause I'm tired of your lies
All I needed was a simple hello
But the traffic was so noisy that you could not hear me cry
I, I gave you my love in vain
My body never knew such pleasure
My heart never knew such pain
And you
You leave me so confused
Now I'm all cried out
Over you[112]
Crying over you, over you yeah, yes
Never wanted to see things your way
Had to go astray
Oh why was I such a fool
(Why was I such a fool)
Oh yeah, now I see that the grass is greener
Is it too late for me to find my way home
How could I be so wrong, yeah
[Allure]
Leaving me all alone Don't you know
My tears will cause an inferno
Romance of these flames
Why should I take the blame
You were the one who left me neglected[112]
I'm so sorry baby[Allure]
Apology not accepted
Add it to the broken hearts you collected
I, I gave you all of me[112]
Gave you all of me[Allure]
How was I to know
You would weaken so easily
I, I don't know what to do[112]
I don't know what to do[Allure]
Now I'm all cried out[112]

I'm all cried out[Allure]
Over you
I, I gave you my love in vain
My body never knew such pleasure
My heart never knew such painAnd you[112]
You left me so confused[Allure]
Now I'm all cried out
Now I'm all cried out[112]
I'm so sorry baby[Allure]
Over you[112]
I'm so sorry
Please forgive me, oh
Please forgive me
