

# Will the Wolf Survive?

## Los Lobos

Through the chill of winter  
Running across a frozen lake  
Hunters are out on his trail  
All odds are against him  
With a family to provide for  
The one thing he must keep alive  
Will the wolf survive? Driftin' by the roadside  
Climbs a storm and aging face  
Wants to make some honest pay  
Losing to the range war  
He's got two strong legs to guide him  
Two strong arms keep him alive  
Will the wolf survive?  
Standing in the pouring rain  
All alone in a world that's changed  
Running scared, now forced to hide  
In a land where he once stood with pride  
But he'll find his way by the morning light  
Sounds across the nation  
Coming from your hearts and minds  
Battered drums and old guitars  
Singing songs of passion  
It's the truth that they all look for  
Something they must keep alive  
Will the wolf survive?  
Will the wolf survive?
