

Pandora (With Segue 1)

Madina Lake

The way you dance it turns me on
but you know that I'm spoken for
the way your sweat drips off your chest
you know that I'm wanting more the lust, the sex, the heat, this sweat
and nothing else matters
you call my name without your dress i already forgot her
you have no idea what you do to me
and you, you have no idea what your doing to me Pandora, i don't know how you carved your
way into my heart
and i don't know how you snuck your way into my house
but i know that I'll regret what i did
and i know I'll regret it forever as i throw my life away, Pandora
the girl i love sits at home and i know that she's lonely
but I'm watching you take off your clothes
your the star of this movie
the love the hate the guilt my fate is hanging in the balance
you have no idea what you do to me (Pandora)
oh you don't even care what you mean to me Pandora, i don't know how you carved your way
into my heart
and i don't know how you snuck your way into my house
but i know that I'll regret what i did
and i know I'll regret it forever as i throw my life away, Pandora and by the time that i come
home shes already sleeping
sit on the bed and take off my clothes
my nerves their shaking
the lies the sex the heat this sweat
your body is quaking
the love the hate the guilt my fate
against this temptress
Pandora, i don't know how you carved your way into my heart
and i don't know how you snuck your way into my house
but i know that I'll regret what i did
and i know ill regret it forever as i throw my life away (forever as i throw my life away)
forever as i throw my life away, Pandora
