Fly Love

[Jamie Foxx](#)

Wasn't really thinking,
Wasn't looking
Wasn't searching for an answer
In the moonlight
When I saw your faceSaw you looking at me,
Saw you peeking
Out from under moon beams
Through the palm trees,
Swaying in the breezeI know I'm feeling so much more
Than ever before
And so I'm giving more to you
Than I thought I could do
Don't know how it happened
Don't know why but you don't really
Need a reason
When the stars shine
Just to fall in loveMade to love each other,
Made to be together
For a life time
In the sunshine
Flying in the skyI know I'm feeling so much more
Than ever before
And so I'm giving more to you
Than I thought I could do,Oh...
Now I know love is real
So when sky high
As the angels try
Leaving you and I,
Fly love...
