They Don't Know

Lydia Loveless

You've been around for such a long time now Oh maybe I could leave you but I don't know how And why should I be lonely every night When I can be with you Oh yes you make it right And I don't listen to the guys who say That you're bad for me and I should turn you away 'Cos they don't know about us And they've never heard of love I get a feeling when I look at you Wherever you go now I wanna be there too They say we're crazy but I just don't care And if they keep on talking still they get nowhere So I don't mind if they don't understand When I look at you and you hold my hand 'Cos they don't know about us And they've never heard of loveWhy should it matter to us if they don't approve We should just take our chances while we've got nothing to loseBabyThere's no need for living in the past Now I've found good loving gonna make it last I tell the others don't bother me 'Cos when they look at you they don't see what I see No I don't listen to their wasted lines Got my eyes wide open and I see the signs But they don't know about us And they've never heard of love No I don't listen to their wasted linesGot my eyes wide open and I see the signs But they don't know about us And they've never heard of love Song Discussions is protected by U.S. Patent 9401941.
