

# Lady Bird

Nancy Sinatra & Lee Hazlewood

Nancy:

I've been where the eagle flies  
Rode his wings 'cross autumn skies  
Kissed the sun, touched the moon  
But he left me much too soon  
His lady bird... he left his lady birdLee:  
Lady bird come on down  
I'm here waiting on the ground  
Lady bird I'll treat you good  
Ah, lady bird I wish you would  
You lady bird... pretty lady bird

Nancy:

Lightning flashed across the sky  
The night he taught me how to fly  
The sun came up and then I found  
Too soon he let his lady down  
His lady bird... I'm his lady birdLee:

Lady bird come on down  
I'm here waiting on the ground  
Lady bird I'll treat you good  
Aw, lady bird I wish you would  
You lady bird... pretty lady birdNancy:

Winter lives in my heart  
In the times that we're apart  
Summer sings a song or two  
When he says 'I love you true'  
My lady bird... yeah, I'm his lady bird

Lee:

Lady bird come on down  
I'm here waiting on the ground  
Lady bird I'll treat you good  
Aw, lady bird I wish you would  
You lady bird... pretty lady birdNancy:
