

Breaking Point

Keri Hilson

Every woman, yeah
Every woman
Got a limit, yeah
Sing with me, girl Ladies, have you ever had a man who pushed away your love?
You wanna stay out at night and don't care how you feel
Instead of manin' up, oh, I said
Ooh, I, I can't concentrate You're so petty you, you stay touchin' my last nerve
My friends say what's wrong with you, girl?
I guess, what I'm really tryin' to say is Every woman has a breaking point, ya'll
(Breaking point)
Hey, I know you know
Some women can be lied to and cheated on
And beated on, so let him know, hey
Every woman has a breaking point, ya'll
(Breaking point)
Hey, hey, hey, hey
Tell me why we put up with that, you can't forget that
See, I done did that, but this time There's a limit to my love
(There's a limit, there's a limit, there's a limit, there's a limit)
There's a limit to my love
(There's a limit, there's a limit, there's a limit, there's a limit) Now listen here Now, baby, don't
push me 'cause I'm close to the edge
Today your baby momma called, said she boxin' up yo' shit
(Yo' shit)
When you barely pleasin' me, how you gon' take care of yo' kids?
Now I gotta contemplate, I hate to say it but I wanted your last name
And my momma said, "What's wrong with you, girl?"
Every woman has a breaking point, ya'll
(Breaking point)
(And I'm almost there, I swear)
Hey, I know you know
Some women can be lied to and cheated on
And beated on, somebody know, hey Every woman has a breaking point, ya'll
(Breaking point)
Hey, hey, hey, hey, some women let you keep 'em in check
Constantly disrespect, then show no regret
Around here, honey There's a limit to my love
(There's a limit, there's a limit, there's a limit, there's a limit)
There's a limit to my love
(There's a limit, there's a limit, there's a limit, there's a limit) Now ladies, we really should be
mad at ourselves
'Cause see, some women just tolerate way too damn much

Now I know we gotta choose our battles
But damn it, every woman gotta breaking point
And see the next time he's testin' yo' love
You put your finger in his face and you tell him Say, my love has a limit
(Say, my love has a limit)
Say, my love has a limit
(Say, my love has a limit)
Said, if your love has a limit, girl
(Said, if your love has a limit)
Say, my love has a limit, yeah
(Say, my love has a limit) Say, my love has a limit
(My love has a limit)
Say, my love has a limit
(My love has a limit)
Said, if your love has a limit, girl
Say, my love has a limit now Every woman has a breaking point, ya'll
(Breaking point)
Hey, I know you know
Some women can be lied to and cheated on
And beated on, so let him know, hey Every woman has a breaking point ya'll
(Breaking point)
Hey, hey, hey, hey
If you feel me put your hands up
If he ain't man enough, girl, if you had enough Tell him, there's a limit to my love
(There's a limit, there's a limit, there's a limit, there's a limit)
There's a limit to my love
(There's a limit, there's a limit, there's a limit, there's a limit)
