

Like I Love You

Justin Timberlake

Just somethin' about you
Way I'm lookin at you whatever
keep lookin at me
Gettin' scared now, right?
Don't fear me baby, it's just Justin
It feel good right?
Listen I kind of noticed something wasn't right
In your colorful face
It's kind of weird to me
Since you're so fine
If it's up to me your face'll change...
If you smilin', that should set the tone
Just be limber
And If you let go, the music should groove your bones
Just remember
Sing this song with me Ain't nobody love you like I love you
You're a good girl and that's what makes me trust ya
Late at night, I talk to you
You will know the difference when I touch you People are so phony
Nosy cause they're lonely
Aren't you sick of the same thing?
They say so and so was dating
Love you or they're hating
When it doesn't matter anyway
Cause we're here tonight
If you smiling, that should set the tone
Just be limber baby
And If you let go, the music should groove your bones
Baby just remember
Sing this song with me Ain't nobody love you like I love you
You're a good girl and that's what makes me trust ya
Late at night, I talk to you
You will know the difference when I touch you Yeah, you know I can make ya happy
I could change your life
If you give me that chance
To be your man
I won't let you down baby
If you give me that chance
To be your man
Here baby, put on my jacket
And then ... Maybe we'll fly the night away (I just wanna love you baby)
Yeah, yeah, yeah

Girl

Maybe we'll fly the night away(I just wanna love you baby)

Girl ...Ma, what you wanna do?

I'm in front of you

Grab a friend, see I can have fun with two

Or me and you put on a stage show

And the mall kids, that's how to change low

From them you heard "wow, it's the same glow"

Look at me, I say "yeah, it's the same dough"

We the same type, you my air of life

You have me sleeping in the same bed, every nightGo rock with me, you deserve the best

Take a few shots

Let it burn in your chest

We could ride down

Pumping N.E.R.D. in the deck

Funny how a few words turn into sex

Play this free, joint called "brain"

(I just love your, Brain)

Ma, take a hint

Make me suerve in the lane

The name Malicious

And I burn every track

Clipse and J. Timberlake

Now how heavy is that?Maybe we'll fly the night away (I just wanna love you baby)

Yeah, yeah, yeah

Girl

Maybe we'll fly the night away(I just wanna love you baby)

Girl ...Ain't nobody love you like I love you

(Can't love you like I do)

You're a good girl and that's what makes me trust ya

(Trust ya like I do)

Late at night, I talk to you

(Hey)

You will know the difference when IBreak this downYou know, I used to dream about this

when I was a

little boy

I never thought it would end up this way, Drums

(Hey)

It's kind of special right? yeah

You know, you think about it

Sometimes people just destined

Destined to do what they do

And that's what it is

Now everybody dance.
