## Arctic Monkeys

So when you gaze at planet earth from outer space  
Does it wipe that stupid look off of your face?  
I saw this aura over the battleground states  
I lost the money, lost the keys  
But I'm still handcuffed to the briefcase  
And I never thought, not in a million year  
That I'd meet so many lovers  
Can I please have my money back?  
My virtual reality mask is stuck on 'Parliament Brawl'  
Emergency battery pack just in time for my weekly chat with God on videocall  
Breaking news they take the truth and make it fluid  
The trainer's explanation was accepted by the steward  
A montage of the latest ancient ruins  
Soundtracked by a chorus of "you don't know what you're doing"  
And I never thought, not in a million year  
That I'd meet so many lovers  
And all of my most muscular regrets explode behind my eyes like  
American sports  
And I never thought, not in a million year  
That I'd meet so many lovers
