

# Satellite (Single Edit)

## Two Door Cinema Club

Meditation  
Pre-vacation  
Original by design  
So dig in deep  
Like the perfect creature  
Guilty preacher  
Is usin' the nine-to-five  
To work on sleep  
Pour the champagne, leave the party  
Play the game 'til everybody's won  
We're the ones to carry on  
We are the satellite  
Set the reaction (Oh)  
Ticket to ride (Oh)  
Reckless abandon (Oh)  
Time on your side (Oh)  
Into the future (Oh)  
The water is fine (Oh)  
We're goin' places  
You're comin' with us  
Conversation  
Limitation  
Security over time  
The final stride  
Trust the temporary  
Visionary  
Delivery overnight  
Return denied  
Write the words and read the pictures  
Flightless birds are gettin' richer from  
The desire to carry on  
They are the satellites  
Set the reaction (Oh)  
Ticket to ride (Oh)  
Reckless abandon (Oh)  
Time on your side (Oh)  
Into the future (Oh)  
The water is fine (Oh)  
We're goin' places  
You're comin' with us  
Find the dimension (Oh)  
Lower the bar (Oh)

Be the exception (Oh)  
Pocket the time (Oh)  
Careful description (Oh)  
History made (Oh)  
We're goin' places  
Get it together  
You Think We  
Are Together  
You Want Answers  
Right Set the reaction (Oh)  
Ticket to ride (Oh)  
Reckless abandon (Oh)  
Time on your side (Oh)  
Into the future (Oh)  
The water is fine (Oh)  
We're goin' places  
You're comin' with us Find the dimension (Oh)  
Lower the bar (Oh)  
Be the exception (Oh)  
Pocket the time (Oh)  
Careful description (Oh)  
History made (Oh)  
We're goin' places  
Get it together
