

You and Me

Alice Cooper

When I get home from work
I wanna wrap myself around you.
I wanna take you and squeeze you
Til the passion starts to rise.I wanna take you to heaven.
That would make my day complete.But you and me ain't no movie stars.
What we are is what we are.
We share a bed
Some lovin'
And TV, yeah.
And that's enough for a workin' man.
What I am is what I am.
And I tell you, babe
Well that's enough for me.
Sometimes when you're asleep
And I'm just starin' at the ceiling
I wanna reach out and touch you
But you just go on dreamin'.If I could take you to heaven
That would make my day complete.But you and me ain't no movie stars.
What we are is what we are.
We share a bed
Some lovin'
And TV, yeah.
That's enough for a workin' man.
What I am is what I am.
And I tell you, sweetheart
That's just enough for me.
You and me ain't no super stars.
What we are is what we are.
We share a bed
Some popcorn
And TV, yeah.
And that's enough for a workin' man.
What I am is what I am.
And I tell you, babe
You're just enough for me.When I get home from work
I wanna wrap myself around you.
I like to hold you squeeze you
Til the passion starts to rise.I wanna take you to heaven.
That would make my day complete.You and me ain't no movie stars.
What we are is what we are.
We share a bed
Of lovin'

And TV, yeah.
And that's enough for a workin' man.
What I am well that's what I am.
I tell you, baby
That's just enough for me.
