

# Your Song (My One and Only You)

## Parokya Ni Edgar

It took one look  
And forever I laid out in front of me  
One smile then I died  
Only to be revived by you There I was  
Thought I had everything figured out  
Goes to show just how much I know  
'Bout the way life plays out...I take one step away  
But I find myself coming back to you  
My one and only, one and only you...  
ooh...  
Now I know  
That I know not a thing at all  
Except the fact that I am yours  
And that you are mine Oh  
They told me that this wouldn't be easy  
And no  
I'm not one to complain...  
I take one step away  
Then I find myself coming back to you  
My one and only, one and only  
I'll take one step away  
But I find myself coming back to you  
My one and only, one and only you...
