

Could Be Anything

The Eames Era

Run along, run a long way to find a one
Find a one who could turn you on
Underneath a cloudless sun I certainly hope that you are happy
With your new change of company
Surrounded by your enemies Can't you see if I could be anything I want to be I would be you,
see,
Can't you see if I could be anything And if you say everything will want to go your way
I will turn you away as easily as I turned you into me
Run along, run a long way to find a one
Find a one who could turn you on
Underneath a cloudless sun I certainly hope that you are happy
With your new change of company
Surrounded by your enemies If you say everything will want to go your way
I will turn you away as easily as I turned you into me And can't you see if I could be anything I
want to be I would be you, see,
Can't you see if I could be anything Oh, oh, there's a lot of things I could say to make you
understand
I don't have time to explain Can't you see if I could be anything I want to be I would be you, see,
Can't you see if I could be anything
And if you say everything will want to go your way
I will turn you away as easily as I turned you into me And can't you see if I could be anything I
want to be I would be you, see,
If I could be
