

# Superhuman

## Velvet Revolver

Weak  
I have been crying and crying for weeks  
How'd I survive when I can barely speak  
Barely eat  
On my knees But that's the moment you came to me  
I don't know what your love has done to me  
Think I'm invincible I see  
Through the me  
I used to be You changed my whole life Don't know what you're doing to me with your love I'm  
feeling all Super human  
You did that to me  
Superhuman heart beats in me  
Nothing can stop me here with you, super human  
Super human Super human Super human Strong  
Since I've been flying and righting the wrongs  
Feels almost like I had it all along  
I can see tomorrow But every problem is gone because  
I flew everywhere with love inside of me  
It's unbelievable to see  
How love could set me free You changed my whole life  
Don't know what you're doing to me with your love  
I'm feeling all super human  
You did that to me  
Superhuman heart beats in me  
Nothing can stop me here with you, super human  
Super human  
Super human It's not a bird  
Not a plane It's my heart and it's gonna go away My only weakness is you  
Only reason is you  
Every minute with you I feel like I can do  
Anything Going going I'm going away  
In love  
You changed my whole life  
Don't know what you're doing to me with your love  
I'm feeling all super human  
You did that to me  
Superhuman heart beats in me  
Nothing can stop me here with you, super human  
Super human Super human
