Superhuman

Velvet Revolver

Weak

I have been crying and crying for weeks How'd I survive when I can barely speak

Barely eat

On my kneesBut that's the moment you came to me

I don't know what your love has done to me

Think I'm invincible I see

Through the me

I used to beYou changed my whole lifeDon't know what you're doing to me with your loveI'm feeling all Super human

You did that to me

Superhuman heart beats in me

Nothing can stop me here with you, super human

Super humanSuper humanSuper humanStrong

Since I've been flying and righting the wrongs

Feels almost like I had it all along

I can see tomorrowBut every problem is gone because

I flew everywhere with love inside of me

It's unbelievable to see

How love could set me freeYou changed my whole life

Don't know what you're doing to me with your love

I'm feeling all super human

You did that to me

Superhuman heart beats in me

Nothing can stop me here with you, super human

Super human

Super humanIt's not a bird

Not a planeIt's my heart and it's gonna go awayMy only weakness is you

Only reason is you

Every minute with you I feel like I can do

AnythingGoing going I'm going away

In love

You changed my whole life

Don't know what you're doing to me with your love

I'm feeling all super human

You did that to me

Superhuman heart beats in me

Nothing can stop me here with you, super human

Super humanSuper human
