With You

LINKIN PARK

I woke up in a dream today
To the cold of the static
And put my cold feet on the floor
Forgot all about yesterday
Remembering I'm pretending
To be where I'm not anymore
A little taste of hypocrisy

And I'm left in the wakeOf the mistake slow to react

Even though you're so close to me

You're still so distant

And I can't bring you back

It's true the way I feel

Was promised by your face

The sound of your voice

Painted on my memories

Even if you're not with me

(I'm with you)You now I see

Keeping everything inside

(With you)

You now I see

Even when I close my eyes

I hit you and you hit me back

We fall to the floor

The rest of the day stands stillFine line between this and that

When things go wrong

I pretend the past isn't real

Now I'm trapped in this memory

And I'm left in the wake

Of the mistake slow to react

So even though you're close to me

You're still so distant

And I can't bring you back

It's true the way I feelWas promised by your face

The sound of your voice

Painted on my memories

Even if you're not with me(I'm with you)

You now I see

Keeping everything inside

(With you)You now I see

Even when I close my eyes

(With you)

You now I seeKeeping everything inside

(With you) You now I see Even when I close my eyes No, no matter how far we've come I can't wait to see tomorrow No matter how far we've come I, I cant wait to see tomorrow (With you) You now I see Keeping everything inside (With you) You now I see Even when I close my eyes (With you) You now I see Keeping everything inside (With you) You now I see

Even when I close my eyes
