Across the Universe (remix)

Rufus Wainwright

Words are flowing out like endless rain into a paper cup
They slither while they pass, they slip away across the universe
Pools of sorrow waves of joy are drifting through my opened mind
Possessing and caressing meJai Guru Deva OmNothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my worldImages of broken light which dance before me like a million eyes

And call me on and on across the universe

Thoughts meander like a restless wind inside a letter box

They stumble blindly as they make their way across the universeJai Guru Deva Om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my worldSounds of laughter shades of earth are ringing

Through my open mind inciting and inviting me

Limitless undying love which shines around me like a million suns

And calls me on and on across the universeJai Guru Deva OmNothing's gonna change my world

Nothing's gonna change my world
