

# always, i'll care

Jeremy Zucker

Driving down the interstate  
I've never felt so far away  
Leaving hardly hurts at all  
I'm sorry that I never call Often I get exhausted  
Trying regardless to be enough  
Is it selfish not to be selfless  
When all I can help is to open up? I'll be better than I was before  
Despite every text of yours ignored  
Will you call me still, just to hear my voice?  
I swear, always, I'll care  
(I'll care) Flipping through our photographs  
Those moments never seem to last  
Listening to self control  
Those feelings that you'll never know Leave me, it's never easy  
I've had a lifetime to be alone  
If you let me, when it gets heavy  
Know I'll never let you be all alone  
I'll be better than I was before  
Despite heavy texts of yours ignored  
Will you call me still, just to hear my voice?  
I swear, always  
Always  
Always, I'll care
