

In Too Deep

Genesis

All that time I was searching, nowhere to run to, it started me
Thinking
Wondering what I could make of my life, and who'd be waiting
Asking all kinds of questions, to myself, but never finding the answers
Crying at the top of my voice, and no one listening
All this time, I still remember everything you said
There's so much you promised, how could I ever forget Listen, you know I love you, but I just
can't take this
You know I love you, but I'm playing for keeps
Although I need you, I'm not gonna make this
You know I want to, but I'm in too deep So listen, listen to me
Ooh you must believe me
I can feel your eyes go thru me
But I don't know why
Ooh I know you're going, but I can't believe
It's the way that you're leaving
It's like we never knew each other at all, it may be my fault
I gave you too many reasons, being alone, when I didn't want to
I thought you'd always be there, I almost believed you
All this time, I still remember everything you said, oh
There's so much you promised, how could I ever forget Listen, you know I love you, but I just
can't take this
You know I love you, but I'm playing for keeps
Although I need you, I'm not gonna make this
You know I want to, but I'm in too deep So listen, listen to me
I can feel your eyes go thru me
It seems I've spent too long
Only thinking about myself - oh
Now I want to spend my life
Just caring bout somebody else
Listen, you know I love you, but I just can't take this
You know I love you, but I'm playing for keeps
Although I need you, I'm not gonna make this
You know I want to, but I'm in too deep Listen, you know I love you, but I just can't take this
You know I love you, but I'm playing for keeps
Although I need you, I'm not gonna make this
You know I want to, but I'm in too deep
