

Tell Me

Vita Chambers

You got a face (face)
You got a face like Heaven, but your eyes are dark
And then they're so electric, you shot me down
Give me a reason, I'm afraid I might stay[Pre-Chorus:]
It got so amazing, I can't look away
I can't look awayTell me (tell me)Woah, uuh-uuh
Woah, uuh-uuh
[Chorus:]
Ooh-ooh, deep, deep
Ooh-ooh, deep, deep, deep
Ooh-ooh, deep, deep
Ooh-ooh, deep in my
Ooh-ooh, deep, deep
Ooh-ooh, deep, deep, deep
Ooh-ooh, deep, deep
Down and go deep in my soulYou got a face (face)
The bottom of the bottle
You have me split and drown
Your voice so sweet, so sweet
With every sip you make me kinda drown [?][Pre-Chorus:]
You're amazing, I can't look away
I can't look away
Tell me (tell me)Woah, uuh-uuh

Ooh-ooh, deep, deep, deep
Ooh-ooh, deep, deep
Ooh-ooh, deep in my
