

U (feat. Mally Mall & Sonny Wilson) [Club Mix]

[Eva Shaw](#)

U, U, U, U, U, U, U, U...I'm just about to lose my mind (yeah, yeah)
I wanna love you right
Ooh, I can't hide...(yeah, yeah)
I wanna love you babyLost my head, got me looking for my mind
Lost my head, got me looking for my mind
Lost my head, got me looking for my mind
Lost my head, got me looking for my mind
You.
Ooh, I'm just about to lose my mind (yeah, yeah)
I wanna love you right
Ooh, I can't hide...(yeah, yeah)
I wanna love you babyLost my head, got me looking for my mind
Lost my head, got me looking for my mind
Lost my head, got me looking for my mind
Lost my head, got me looking for my mind
Yeah...I was searching for that feeling
Wanna come across a feeling tonight...
I don't wanna take the other
Once I come across a feeling tonight.Ooh, I'm just about to lose my mind (yeah, yeah)
I wanna love you right
Ooh, I can't hide...(yeah, yeah)
I wanna love you baby
Lost my head, got me looking for my mind
Lost my head, got me looking for my mind
Lost my head, got me looking for my mind
Lost my head, got me looking for my mind
Yeah...
Lost my head, got me looking for my mind
Lost my head, got me looking for my mind
Lost my head, got me looking for my mind
Lost my head, got me looking for my mindAsk us a question about this song
