

# Who Am I? (feat. Bugzy Malone)

## Kojo Funds

Smoke weed it's red eye  
You ain't my ally  
You don't wanna get boxed up like Jedi  
When I remember the days of the semi  
Niggas cut through sho', sky like [Beck-I?]  
Get your papers, fuck the haters  
We don't par round here with investigators  
Pigs and yats, yeah they're all instigators  
Got money on my mind, can't wait till later (yea-yeah)  
Crossing that line, it's on me  
I've been hitting the mic, my belly's hungry  
Younger's hollering me, they wanted B'  
Better jump on the train, that ways country (yeah)  
Get P's ya' na  
With the G's ya' na  
You don't wanna come and compete ya' na  
Got two in the barrel, that's peak ya' na'  
And a thick bad B, in the sheets ya' na  
Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two  
Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two  
Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two  
Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two  
Yo  
Who am I? Who are you?  
Fuck the security, what they gonna do?  
Can't chat to me about moves, I've done a few  
No cats with me, I'm on job, I'll make you move  
Actually I don't like the attitude  
So I block and delete, find that funny  
Run up on me

Think; "Oh man turned famous", that I don't keep it with me  
Dem man are acting gangster,  
but you're not gangster if you've been making pennies

These days dem man call me a crank  
Cuz I'm making Jason Statham money  
Man used to get about on the estate  
With a poker, fully auto, or semi  
I was on a pedal bike them days  
Now I got three whips, everything blacked out fully Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two Me nah go play this way  
Me and them boy deh', we ain't the same  
Me nuh' care 'bout fame  
Counting the money, me wan' get paid  
Me nah go play this way  
Me and them boy deh', we ain't the same  
Me nuh' care 'bout fame  
Counting the money, me wan' get paid Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two Who am I? Who are you?  
Blacked out whip in the night, that's how we cruise  
Big back ting in the back, that's how we do  
Don't do one any, my nigga, just gimme two
