

# One Kiss (Oliver Heldens Remix)

Calvin Harris & Dua Lipa

One kiss is all it takes  
Falling in love with me  
Possibilities  
I look like all you need Let me take the night, I love real easy  
And I know that you'll still wanna see me  
On the Sunday morning, music real loud  
Let me love you while the moon is still out Something in you-oo-h-oo-h  
Lit up heaven in me  
The feeling won't let me slee-e-eeep  
'Cause I'm lost in  
The way you move, the way you feel  
One kiss is all it takes  
Falling in love with me  
Possibilities  
I look like all you need One kiss is all it takes  
Falling in love with me  
Possibilities  
I look like all you need (One...)  
(One...) I just want to feel your skin on mine  
Feel your eyes do the exploring  
Passion in the messages when you smile  
Take my time  
Something in you-oo-h-oo-h  
Lit up heaven in me-e-e  
The feeling won't let me slee-e-eeep  
'Cause I'm lost in  
The way you move, the way you feel One kiss is all it takes  
Falling in love with me  
Possibilities  
I look like all you need One kiss is all it takes  
Falling in love with me  
Possibilities  
I look like all you need (One...)  
(One...) See wonderland in your eyes  
Might need your company tonight Something in you-oo-h-oo-h  
Lit up heaven in me-e-e  
The feeling won't let me slee-e-eeep  
'Cause I'm lost in  
The way you move, the way you feel One kiss is all it takes  
Falling in love with me  
Possibilities  
I look like all you need One kiss is all it takes

Falling in love with me  
Possibilities  
I look like all you need(One...)  
(One...)
