## Da Beatfreakz

Don't make me grab the pumpy  
Make you jumpy  
Take it easy, gyal around me  
Dem know ya  
Dem know ya  
Don't make me grab the pumpy  
Make you jumpy  
Take it easy, gyal around me  
Dem know ya  
Dem know ya  
You see my set-set, you done know  
Making money now like we in the bando  
You see my set-set, you done know  
Making money now like we in the bando  
Don't make me grab the pumpy  
Make you jumpy  
Take it easy, gyal around me  
Dem know ya  
Dem know ya  
See I'm still up in the 9, Im fully active  
I tell her grab dis, I put her to matress  
Mad ting sad ting  
I'm rolling with a bad ting  
And if you wanna roll put the action into practice  
She said she want a man in designer  
I spent 20+ on my rider  
She said she want a man in designer  
I told her call me up on my Lyca  
Don't make me grab the pumpy  
Make you jumpy  
Take it easy, gyal around me  
Dem know ya  
Dem know ya  
Don't make me grab the pumpy  
Make you jumpy  
Take it easy, gyal around me  
Dem know ya  
Dem know ya  
You see my set-set, you done know  
Making money now like we in the bando  
You see my set-set, you done know  
Making money now like we in the bando

Don't make me grab the pumpy  
Make you jumpy  
Take it easy, gyal around me  
Dem know ya  
Dem know ya  
Pulling out a pump, you'll get pumped up  
Dumb fuck  
Fist game strong, you'll get lumped up  
Thumped up  
Stickin' with the dargs, never unstuck  
Big back east African, bring the dump truck  
Bebe  
Want your ball like she Pele  
No new school guy  
We been bad from where dey?  
Heavy  
Big chain sit on my belly  
7-sided with Konan and that's heffe  
Uhh, big batty gyal let me touch that (Lemme touch that)  
I got asthma, let me pump dat  
Do you research, you see how it might be  
Get a big (bow-bow) tryna run up on me  
Don't make me grab the pumpy  
Make you jumpy  
Take it easy, gyal around me  
Dem know ya  
Dem know ya  
Don't make me grab the pumpy  
Make you jumpy  
Take it easy, gyal around me  
Dem know ya  
Dem know ya  
You don't want war, you don't want no smoke  
All my niggas ride-ride when we wanna role  
Any violations, we can have it na?  
So if you wanna talk shit, then we can have it all  
Slow down with a pumpy, jumpy  
Ain't no easy being around me  
Slim fit, she cute, she a brownie  
And never will she down me  
When I say-say you done know  
I can never joke  
Making me go crazy  
Say-say you done know  
Got a pumpy, now they call me Bailey  
Getting money in my pockets daily  
Got the shh, can you rock it baby  
Got the sauce na-na-na-na  
Now they all wanna call me wavey

Don't make me grab the pumpy  
Make you jumpy  
Take it easy, gyal around me  
Dem know ya  
Dem know ya  
Don't make me grab the pumpy  
Make you jumpy  
Take it easy, gyal around me  
Dem know ya  
Dem know ya  
You see my set-set, you done know  
Making money now like we in the bando  
You see my set-set, you done know  
Making money now like we in the bando  
Don't make me grab the pumpy  
Make you jumpy  
Take it easy, gyal around me  
Dem know ya  
Dem know ya
