

# Evacuee

Enya

Each time on my leaving home  
i run back to my mothers arms  
one last hold and then its over.

Watching me, you know i cry,  
you wave a kiss to say goodbye.  
feel the sky fall down upon me!

All i am,  
a child with promises  
all i have  
are miles full of promises of home.

If only i could stay with you,  
my train moves on, you're gone from view,  
now i must wait until its over.

Days will pass, your words to me,  
it seems so long; eternity,  
but i must wait until it's over.
